

MARIA (COOKSEY) BUXTON

April 17, 2012

I worked at Fairchild, before joining Monsanto.

I worked at Monolithic Memories, Inc. starting around 1982 or so, and then at AMD until I retired around 1996. I met my husband, Jan, there. We saw each other passing in the hallways at MMI and AMD for about twelve years before marrying in 1994.
